

## Hydraulic Press Project: Make a Pendant

You can purchase a kit that includes the materials needed for this class when you register or you can provide your own materials. The materials included in each kit option are the following:

### Copper Kit

- 6 x 6" piece 22 gauge copper
- 2 x 6" piece 22 gauge brass
- 3 jump rings in 16 gauge sterling silver
- 2" piece 14-gauge ½-hard sterling silver wire

### Sterling Silver Kit

- 2 x 6" piece 22 gauge sterling silver sheet
- 4 x 6" piece 22 gauge copper
- 2 x 6" piece 22 gauge brass
- 3 jump rings in 16-gauge sterling silver
- 2" piece 14 gauge ½-hard sterling silver wire

### Bring your own materials
